Lennox Junior High and High School Students and Parents:

The 2016-17 school year is just a few weeks away. It is a time to reflect on all of the great things we have accomplished in Lennox, thank our retiring staff members and graduating seniors, welcome our new staff members and students, and look forward to the opportunities a new year brings.

Success was abundant in Lennox High School last year. Academic, Athletic, and Extracurricular programs led by dedicated coaches and talented, hard-working students have made a positive impact on our school and community. We will strive to continue these successes in the future. In the upcoming school year please consider getting involved with one or more of our groups in the High School.

The Lennox School District has been blessed to have great people working with our students. As we begin the 2016-17 school year, our High School building will be without some familiar faces: Marlene Raabe, Cheryl Jacobson, and Lori Bunjer. Thank you for serving the students of the Lennox School District. We wish you the best of luck in all of your future endeavors!!

We are also welcoming a number of new staff to Lennox Junior High and High School this year: Lindsay Peterson (JH Literature), Lauren Millar (JH Language Arts), Trevor Schroeder (HS Math/Science), Mandi Steele (5-12 Vocal) and Darci Granum (JH/HS Secretary). You will have a chance to meet new staff at our Open House on August 22.

A district-wide **Registration Day will be on August 10 from 1-8pm**. Parents and students are asked to attend in order to pay beginning of the year dues, get activity passes, update addresses and phone numbers, and take student pictures. All students will be required to take a picture for their photo ID. The District-wide registration will be at Lennox High School. Our goal is to provide you with a quick and easy way to accomplish all of those items at once, even if you have students in multiple buildings.

A district-wide Open House will be on August 22. All schools will be open **from 5-7pm**. Students and parents will be able to pick up their schedules, meet their teachers and get into their lockers as well as take tours of the buildings. Juniors and Seniors and their parents will also be encouraged to attend the **Junior/Senior Experience in the HS gym that night (6-7pm)**. We are inviting representatives from Universities, Community Colleges, Technical Schools, and the Military to attend our post-high planning night for our junior and senior students and their parents. We will also have a **JH Parent meeting following the Open House from 7-7:30 in the Cafetorium**. The major topic of the meeting will be the JH one-to-one laptop initiative.

All of us here at Lennox Junior High and High School hope you have had a safe and enjoyable summer and we are all looking forward to a great school year!!

Chad Allison
JH & HS Principal
